## **SOURCE CENTRE GENERAL POLICIES**

On your first visit, it is required that you fill out health history forms which should be updated yearly with any address or health changes that your practitioner should be aware of. Your practitioner will review this information with you and ask questions to ensure that you receive the treatment that meets your needs. Ongoing progress reports will be attached to your file on a regular basis.

5. All e-mail correspondence will become a part of your medical record at the clinic.
6. It is extremely important to include your name and the name of your practitioner on every e-mail sent to the Source Centre.
